LOMBOK TOURS

Lombok is an island with almost no manufacturing industries. Coffee plants, Tabaco plants, Rice fields, Fishing boats and almost endless mountainous areas of Mt. Rinjani are building the framework of local peoples living.

RINJANI

Mt. Rinjani which is arising from sea level to up to 3726m is Lombok's Landmark and Indonesia's second biggest volcano. Book a two to four days tracking tour and master this mighty mountain. It will paid back with stunning unforgettable views.

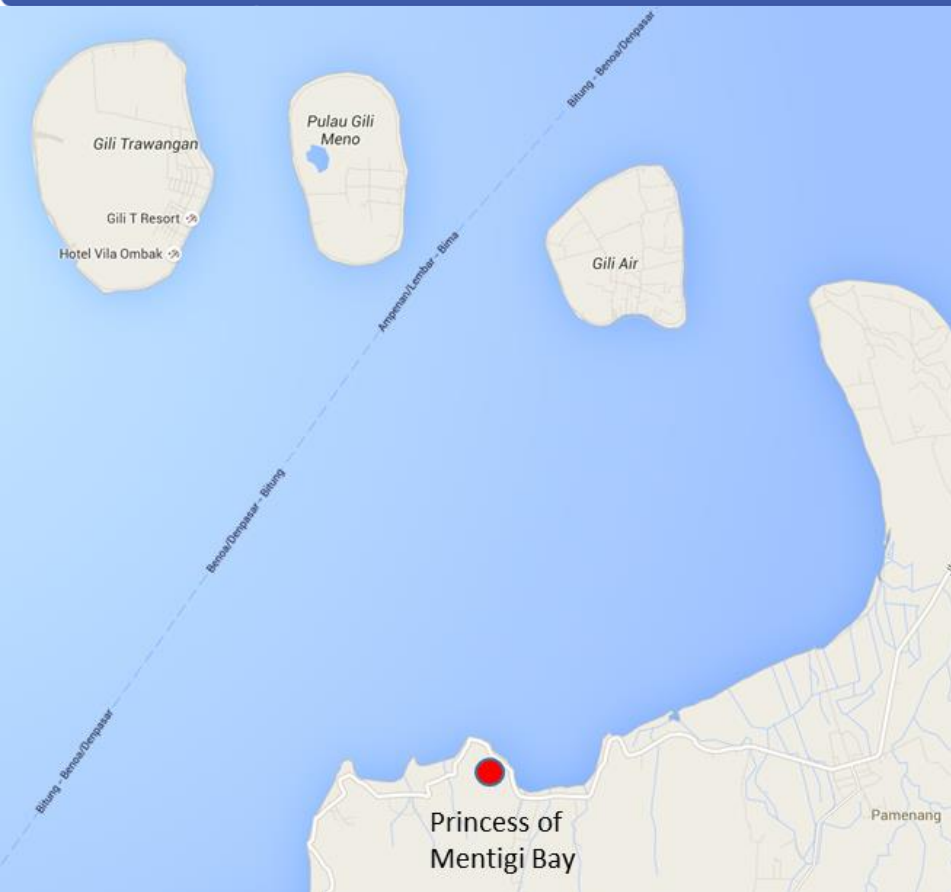

CULTURAL VILLAGE

You want to learn how people lived some decades ago. The Cultural Village will give you a look and feel.

WATERFALLS

Rinjanis Mountain Water is supplier of plenty of beautiful Waterfalls. Embedded in tropical rainforest it provides you with a deep clean breath of mountain air. Take a cold bath at natural waterfall lakes or just enjoy the beauty of nature.

No matter what you are planning to see, Samba Tours will provide you with modern transport and professional guidance. Let us be your Lombok Guide
